

Fine Figure

Many women lose their girlish forms after they become mothers. This is due to neglect. The figure can be preserved beyond question if the expectant mother will constantly use

Mother's Friend

during the whole period of pregnancy. The earlier its use is begun, the more perfectly will the shape be preserved. Mother's Friend not only softens and relaxes the muscles

during the great strain before birth, but helps the skin to contract naturally afterward. It keeps unsightly wrinkles away, and the muscles underneath retain their pliability.

Mother's Friend is that famous external liniment which banishes morning sickness and nervousness during pregnancy; shortens labor and makes it nearly painless; builds up the patient's constitutional strength, so that she emerges from the ordeal without danger. The little one, too, shows the effects of Mother's Friend by its robustness and vigor.

Sold at drug stores for \$1 a bottle.

NO USE TRYING

I can't take plain cod-liver oil. Doctor says, try it. He might as well tell me to melt lard or butter and try to take them. It is too rich and will upset the stomach. But you can take milk or cream, so you can take

Scott's Emulsion

It is like cream; but will feed and nourish when cream will not. Babies and children will thrive and grow fat on it when their ordinary food does not nourish them.

Persons have been known to gain a pound a day when taking an ounce of Scott's Emulsion. It gets the digestive machinery in working order so that the ordinary food is properly digested and assimilated.

CANCER IS NOT INCURABLE

Time was when Cancer was considered as incurable as leprosy. Physicians and friends could give little relief or encouragement to one afflicted with this terrible disease. Even now doctors know of no remedy for this fearful malady; while admitting it to be a blood disease, they still insist that there is no hope outside of a surgical operation, and advise you to have the Cancer cut out, but at the same time cannot assure you that it will not return. You may cut or draw out the sore, but another will come in its place, for the disease is in the blood—is deep-seated and destructive, and beyond the reach of the surgeon's knife or caustic, flesh-destroying plasters. The blood must be purified and strengthened, the system relieved of all poisonous, effete matter before the Cancer sore will heal.

S. S. S. is the only medicine that can overcome this powerful and contaminating poison and force it out of the blood. It builds up and invigorates the old, and supplies new, rich, life-giving blood. S. S. S. is a purely vegetable remedy; no mineral can be found in it; the roots and herbs from which it is made contain powerful purifying properties that act directly upon the blood system and make a safe and permanent cure of Cancer. It has cured thousands, why not you?

Cancer is not always inherited; your family may be free from any taint, yet your blood may become so polluted that a severe

Impure Blood Invites Disease.

or nose, a small lump on the jaw or breast, a harmless looking wart or mole, and other causes so insignificant as to attract little or no attention. If you have an obstinate sore, don't rely upon salves or ointments to cure it—begin with S. S. S. at once; it will cleanse your blood and prevent the formation of cancerous cells.

Mrs. R. Shirer, La Plata, Mo., writes: "A small pimple came on my jaw about one inch below the ear on the left side of my face. At first it gave me no trouble. I did not think it was anything serious until the jaw began to swell and became much inflamed. At the same time the sore began to spread and cut into the flesh and gave me intense pain. I tried everything I could hear of, but nothing did me any good. I then began the use of S. S. S., and after taking several bottles the Cancer healed, and there was no sign of the disease. This was two years ago, and I am still enjoying perfect health."

Send for our special book on Cancer; it contains much information that will interest you, it is free.

Write our physicians about your case, and for any advice or information wanted; they have made a life study of Cancer and all blood diseases. We make no charge whatever for this.

H. Clark, Chauncey, Ga., says De Witt's Witch Hazel Salve cured him of piles that had afflicted him for twenty years. It is also a speedy cure for skin diseases. Beware of dangerous counterfeits. W. T. Brooks.

"I think De Witt's Little Early Risers are the best pills in the world," says W. E. Lake, Happy Creek, Va. They remove all obstructions of the liver and bowels, and act quickly and never gripe. W. T. Brooks.

Question Answered.

Yes August Flower still has the largest sale of any medicine in the civilized world. Your mothers, and grandmothers, never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sold by dealers in all civilized countries. oct-27-1y

Not A Cast Iron Stomach.

Of course you haven't. No one need have. Doctor Caldwell's Syrup Peppin is a remedy prepared on purpose for stomach troubles, weak stomach, sour stomach, big stomach or little stomach, or any irregularities caused from indigestion or constipation. They can be permanently and thoroughly cured by the use of Dr. Caldwell's Syrup Peppin, which is made in three sizes, 10c, 50c and \$1.00 and is sold by G. S. Varden & Co.

Does It Pay To Buy Cheap.

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Sold by dealers in all civilized countries. oct-27-1y

J. I. Carson, Prothonotary, Washington, Pa., says, "I have found Kodol Dyspepsia Cure and excellent remedy in case of stomach trouble, and have derived great benefit from its use." It digests what you eat and can't fail to cure. W. T. Brooks.

The Maysville liar of the Cincinnati Times-Star reports a shower of worms and bugs at Maysville.

W. H. Shipman, Beardslev, Minn., under oath, says he suffered from dyspepsia for twenty-five years. Doctors and dieting gave but little relief. Finally he used Kodol Dyspepsia Cure and now eats what he likes and as much as he wants, and he feels like a new man. It digests what you eat. W. T. Brooks.
